

SACERS Updated™-What's New?

Changes to Format:

- One item per page
- Indicators are numbered
- Minor changes to wording
- No unusual scoring exceptions

Volunteer:

Fill out the practice observation form at www.tnstarquality.org to be a training practice observation site and receive ***your own copy*** of the updated scale along with observation feedback!

Item changes:

- Item numbers changed
- Items 4 and 4a combined
- Some indicators divided into two
- Some indicators moved to a different level of quality
- New indicators in some items

For Tennessee:

- Items 9-11, 13, 39-41, 43-47 omitted
- Training for Assessors & CCR&R early 2018
- Training for Child Care Professionals available beginning Spring 2018
- TN Additional Notes available online June 2018
- More information at www.ersi.info

Contact CCR&R for more information:
